

WTP Partner One-Pager

WTP — UAE Execution Partner

For brokers & advisors who need a reliable on-the-ground operator in the UAE.

What We Do

WTP handles the full delivery cycle for your clients — from initial assessment to operational entity — with banking viability confirmed before any setup begins.

Core services:

- Company formation (Mainland & Free Zone)
- Corporate & personal banking
- Visa & residency (including Golden Visa)
- Tax strategy & registration
- Real estate & asset structuring
- Ongoing retainer support

How We Work

STEP	WHAT HAPPENS
01 Pre-Screen	Documents, KYC/AML, Source of Funds, risk classification
02 Banking Scenario	Bank selection and requirements — no "guaranteed account" promises
03 Delivery	Company setup, accounts, visas within agreed scenario
04 Ongoing	Retainer support for renewals, accounting, and expansion

Why Partners Choose WTP

Ownership Protection — We never bypass the partner. Your client relationships remain yours. **Transparency** — Clear status updates, defined checkpoints, no surprises. **Risk-Aware** — We decline toxic profiles. 3-tier risk classification (Green / Yellow / Red). **Banking-First** — We verify bankability before committing to setup. No wasted effort.

Partnership Models

Referral: You introduce → we execute → you earn commission. Zero operational burden. **White-Label:** We operate under your brand. No direct WTP-client contact.

Partner Protection

- CRM tagging for all referred clients
 - No direct contact with your clients without permission
 - Contractual terms and defined commission structure
 - Regular reporting on case progress
