THE PROBLEM

200+

visa cases
since 2019

- Standard visa is tied to employer.
Job change or company closure = loss of status
- Without the right route, the process drags for months
or ends in rejection
- Visa affects bank accounts, tax residency,
schools — everything depends on immigration status

What You Get

Visa Strategy

Optimal type — investor (AED 2M), business owner, specialist.

Documents End-to-End

How We Are Different

Visa + bank + tax = one plan

One manager handles the entire process. Golden Visa affects bank choice and tax residency.

200+ visa cases

We know the pitfalls of every route. This saves 2–4 weeks and prevents rejections.

Family included

Spouse and children visas in parallel. Documents prepared in advance — you fly once.

Since 2019 · Banking-First approach · UAE

Golden Visa isn't a stamp. It's a foundation: bank, taxes, schools, long-term planning. We build this foundation as a whole.
