

FOR UAE RESIDENTS WITH ASSETS

UAE Will. Protect your family from Sharia court.

Without a will, assets are distributed under Sharia law. A DIFC or ADJD Will locks in your wishes.

THE PROBLEM

1/8

maximum a spouse may receive
without a will under Sharia law

- Without a will, courts distribute assets under Sharia.
Spouse may receive only 1/8, children left without a guardian
- Accounts and property are frozen for months.
Heirs cannot sell or withdraw funds
- Court proceedings cost tens of times more
than a 15-minute DIFC will registration

How We Are Different

100+ wills prepared

We know the wording courts execute without delays. And the mistakes that block inheritance for months.

Part of comprehensive protection

A will is one element. Foundation, custody, banking structure — we design the entire asset protection system.

Updates included

Bought property? Had a child? We update the will — you don't start from scratch.

Since 2019 · Banking-First approach · UAE
