

listing-templates

Version: 1.0

Platform: Bayut (primary), Property Finder (secondary)

Brand Voice: Professional, informative, differentiated. Avoid typical agent hype.

Purpose

Ready-to-use listing description templates for Dubai property portals. Each template highlights WTP's unique value: integrated RE + corporate + banking advisory, not just property sales.

Words to USE: Golden Visa eligible, banking pre-screen, investment advisory, ownership structure, integrated service, bankable structure, compliance-first **Words to AVOID:** Guaranteed ROI, cheapest, "call now!!!", offshore, amazing views!, must see!, incredible!, unbelievable!, exclamation marks **SEO for Portals (Bayut/Property Finder search):**

- Title format: [Property Type] in [Area] – [Key Feature] (e.g., "2BR Apartment in Dubai Marina — Golden Visa Eligible")
- Include area name, bedroom count, and "Golden Visa" or "Investment" in first 20 words
- Include price range bracket in description (portals filter by price)
- Tag all relevant features in portal fields: Golden Visa, Beach Access, Metro Nearby, etc.

Listing Quality Checklist (per listing):

- [] 10+ high-quality photos (professional, consistent lighting)
- [] Floor plan included
- [] Video tour for properties 5M+ AED
- [] 3D tour for properties 10M+ AED
- [] Price is competitive (check comparable listings on same portal)
- [] All portal fields filled (size, view, amenities, parking)
- [] Response time SLA: 15 min during business hours

Template 1: Ready Apartment — Golden Visa Eligible (2–3M AED)

[PROPERTY TYPE] in [LOCATION] – Golden Visa Eligible

[Bedrooms]-bedroom apartment in [Building/Area], [Size] sqft. [View feature: Marina view / Downtown skyline / Garden facing]. [Key amenity: Pool / Gym / 24/7 Security].

Property Details:

- Price: [X.XM AED]
- Type: [Studio/1BR/2BR/3BR]
- Area: [sqft]
- Ready / Handover: [Q/Year]

Investment Advisory Included:  Golden Visa eligibility confirmation (2M+ AED threshold met)  Banking pre-screen – verify account opening options BEFORE signing SPA  Ownership structure assessment (personal vs corporate – tax implications)

Why WTP: We don't just sell apartments. We structure your entire UAE entry: banking, visa, company, and property as one integrated package. Most buyers face banking issues AFTER purchase. We check it first.

 WhatsApp: [NUMBER]
 realestate.wtpref.com

When to use: Standard 2-3M AED property targeting investors primarily interested in Golden Visa eligibility.

Template 2: Ready Apartment — Luxury (5M+ AED)

` [PROPERTY TYPE] – [DISTINCTIVE FEATURE] in [PREMIUM LOCATION]

Exceptional [bedrooms]-bedroom residence in [Building Name], [Area]. [Size] sqft of refined living space. [Unique features: Floor-to-ceiling windows / Private terrace / Chef's kitchen / Smart home integration].

Property Details:

- Price: [X.XM AED]
 - Type: [3BR/4BR/Penthouse]
 - Area: [sqft]
 - [Parking spaces / Storage / Maid's room]
-

Wealth Structuring Included:  Discreet advisory – privacy-first approach for high-net-worth clients  Banking relationship management (Tier-1 UAE banks, wealth banking)  Multi-jurisdictional ownership structure (optimal tax positioning)

Why WTP: Our clients value discretion, expertise, and integrated service. We handle banking, corporate structure, visa, and wealth planning – not just the transaction. This is an investment decision, not a property purchase.

 WhatsApp: [NUMBER]
 realestate.wtpref.com

When to use: Premium properties 5M+ AED targeting UHNWI focused on privacy, wealth structuring, and comprehensive service.

Template 3: Ready Villa — Family/Substance (3-10M AED)

` Family Villa in [AREA] – Substance & Relocation Ready

Spacious [bedrooms]-bedroom villa in [Community Name], [Area]. [Size] sqft built-up area on [plot size] sqft plot. [Key features: Garden / Pool / Covered parking / Study room / Maid's quarters].

Ideal for families establishing real presence in UAE (substance requirements for tax residency) or relocating from [UK/DE/NL/etc.].

Property Details:

- Price: [X.XM AED]
 - Bedrooms: [4/5/6]
 - Plot: [sqft]
 - Community: [Amenities – schools nearby, parks, etc.]
-

Relocation Advisory Included: ☒ Tax residency substance assessment (183-day rule, economic presence) ☒ Family visa processing (spouse + children) ☒ School proximity analysis + enrollment support

Why WTP: Relocation is more than buying a house. We guide you through tax residency requirements, visa logistics, and banking setup – ensuring your move achieves both personal and tax objectives.

WhatsApp: [NUMBER]
realestate.wtpref.com

When to use: Villas 3-10M AED targeting families relocating for substance/tax residency purposes (UK non-dom, DE exit tax, NL Box 3).

Template 4: Off-Plan — Tier-1 Developer (2-5M AED)

Off-Plan by [DEVELOPER] – Capital Appreciation + Flexible Payment

[Property type] in [Project Name], [Area]. Delivery: [Q/Year]. Payment Plan: [% on booking, % during construction, % on handover].

Developed by [Emaar/DAMAC/Sobha/Aldar/Meraas] – proven track record, on-time delivery.

Property Details:

- Price: [X.XM AED]
- Type: [1BR/2BR/3BR]
- Area: [sqft]
- Payment Plan: [Detail]
- Expected ROI: [Conservative estimate if available]

Investment Advisory Included: ☒ Developer due diligence (track record, financial stability, delivery timeline) ☒

Banking pre-approval – secure financing BEFORE committing ☒ Golden Visa eligibility (if 2M+ AED) + visa processing timeline

Why WTP: Off-plan carries risk. We assess developer credibility, verify payment plan feasibility, and ensure you're bankable before you sign. No surprises at handover.

WhatsApp: [NUMBER]
realestate.wtpref.com

When to use: Off-plan properties from tier-1 developers. Emphasize capital appreciation potential and WTP's risk mitigation through due diligence.

Template 5: RAK Property — Al Marjan Island / Wynn Adjacent

Ras Al Khaimah – Wynn Casino Effect Investment

[Property type] in [Al Marjan Island / RAK area]. [Size] sqft. [View: sea view / Wynn resort facing / beachfront].

RAK Market Context:

- Prices +47% YoY (2025 data)
- Wynn Casino opening 2027 – first integrated resort in UAE
- Holiday home potential – short-term rental yields 8-12%

Property Details:

- Price: [X.XM AED]
- Type: [Studio/1BR/2BR]

- Location: [Al Marjan Island / other]
- Rental Yield: [estimate]

RAK Investment Advisory:  Market data analysis – emerging vs established areas  Holiday home licensing (short-term rental permits)  Golden Visa eligibility (if 2M+ AED)

Why WTP: RAK is under-served by Dubai-focused agents. We provide data-driven analysis of the Wynn effect, rental yield projections, and full banking + visa support. Early movers capture the upside.

 WhatsApp: [NUMBER]
 realestate.wtpref.com

When to use: RAK properties, especially near Al Marjan Island and Wynn development. Highlight emerging market data and holiday home potential.

Template 6: Expo City Dubai

Expo City Dubai – Infrastructure-Led Long-Term Value
[Property type] in [Expo City / District 2020]. [Size] sqft. [Key amenity: Metro station 5 min walk / Exhibition centers / Parks].

Expo City Advantages:

- World-class infrastructure (Metro, roads, utilities)
- Government-backed development (EXPO 2020 legacy)
- Conservative investment thesis – stable appreciation 5-10 years

Property Details:

- Price: [X.XM AED]
- Type: [1BR/2BR/3BR]
- Completion: [Ready / Handover date]
- Transport: [Metro proximity]

Conservative Investment Advisory:  Long-term value assessment (infrastructure advantage)  Rental demand analysis (corporate tenants, families)  Banking + Golden Visa support

Why WTP: Expo City appeals to conservative investors seeking stable returns, not speculative gains. We position this as a safe-haven asset in Dubai's portfolio, backed by government infrastructure investment.

 WhatsApp: [NUMBER]
 realestate.wtpref.com

When to use: Expo City properties targeting conservative/institutional investors seeking stable long-term appreciation.

Template 7: Commercial Property — Office/Retail

Commercial Property – [OFFICE / RETAIL / WAREHOUSE] in [AREA]
[Size] sqft [office space / retail unit / warehouse] in [Building/Area]. [Key feature: High footfall / Business Bay location / Freezone / Parking spaces].

Ideal for:

- Business owners needing corporate office (substance requirement)
- Investors seeking commercial yields (6-10% typical)
- Retail/F&B operators

Property Details:

- Price: [X.XM AED]
- Type: [Office / Retail / Warehouse]
- Area: [sqft]
- Tenancy: [Vacant / Tenanted – yield X%]

Commercial Advisory Included:  Corporate services integration – office + company setup + licensing  Tenancy agreement review (if tenanted)  Yield optimization – rental benchmarking

Why WTP: Commercial RE is a natural extension of our corporate services. If you're setting up a UAE company, you may need an office for substance. We handle both: company formation + property acquisition in one package.

 WhatsApp: [NUMBER]
 realestate.wtpref.com
,
,

When to use: Commercial properties (office, retail, warehouse). Highlight synergy with WTP's corporate services.

Template 8: Penthouse / Ultra-Luxury (10M+ AED)

` Penthouse – [DISTINCTIVE FEATURE] in [EXCLUSIVE LOCATION]
[Bedrooms]-bedroom penthouse residence in [Building/Area]. [Size] sqft, [floors]. [Unique features: Private pool / 360° views / Private elevator / Rooftop terrace].

Property Details:

- Price: [X.XM AED]
- Type: Penthouse
- Area: [sqft]
- Levels: [Duplex / Triplex / Single level]
- [Parking / Staff quarters / Smart home]

Discreet Wealth Advisory:  Privacy-first transaction management  Family office structuring (ownership through holding company)  Multi-generational wealth planning + visa solutions

Why WTP: Ultra-high-net-worth clients require discretion, not marketing. We manage your acquisition quietly, structure ownership optimally for tax and succession, and provide ongoing advisory – not a one-time transaction.

 WhatsApp: [NUMBER]
 realestate.wtpref.com
..

When to use: Penthouses and ultra-luxury properties 10M+ AED. Emphasize discretion, wealth preservation, and family office structuring.

Usage Notes

1. **Customization:** Replace all [PLACEHOLDERS] with property-specific details.
 2. **Photo requirements:** Minimum 10 professional photos (hero shot first), floor plan mandatory, video tour for 5M+ properties.
 3. **Tone consistency:** Maintain factual, investment-focused language. Avoid exclamation marks and superlatives.
 4. **WTP differentiator:** Always include the "Why WTP" section highlighting banking-first + integrated services.
 5. **CTA:** WhatsApp number + realestate.wtpref.com in every listing.
 6. **Compliance:** Ensure all claims (ROI, yields, price trends) are substantiated or marked as estimates.
-

Next Steps:

- Pilot test: Use 3-5 templates on Bayut for luxury listings (2M+ AED)
- Track engagement: views, leads, conversion rate per template
- Iterate: Refine messaging based on what converts
